### Preliminary Statement

Pursuant to the terms and conditions set forth below, CRRA is willing to accept “Acceptable Waste,” as defined in CRRA’s *Bridgeport Project Permitting, Disposal and Billing Procedures* (“Procedures”), attached hereto as **Exhibit A** and made a part hereof, generated within the corporate boundaries of CRRA Project Municipalities (as hereinafter defined) and delivered by Hauler to CRRA’s Bridgeport resources recovery facility located at 6 Howard Avenue, Bridgeport, Connecticut (the “Designated Facility”).

NOW, THEREFORE, in consideration of CRRA issuing to Hauler a permit to dispose of Acceptable Waste at the Designated Facility, the mutual covenants, promises and representations contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, CRRA and Hauler hereby agree as follows.

### Terms and Conditions

1. All terms that are not defined in this Agreement shall have the same respective meanings assigned to such terms in the Procedures attached hereto as **Exhibit A** and made a part hereof. The Procedures are hereby made a part of this Agreement in their entirety.
2. For purposes of this Agreement, (i) the term “Wesi Projects” shall mean the resources recovery projects operated by Wheelabrator Environmental Systems, Inc., or Riley Energy Systems of Lisbon Corporation and located in Lisbon, Connecticut, Peekskill, New York, Millbury, Massachusetts and North Andover, Massachusetts; (ii) the term “Member Municipalities” shall mean those municipalities that either are members of CRRA’s Bridgeport, Mid-Connecticut, Wallingford and Southeast resources recovery projects or have an agreement to deliver solid waste to such projects; and (iii) the term “Non-Member Municipalities” shall mean those municipalities that are not members of any CRRA resources recovery project or do not have any agreement with CRRA to deliver Acceptable Waste to any such CRRA project, but excluding those municipalities that are either members of the Bristol resources recovery project in Bristol, Connecticut (the “Bristol Project”) or have a written agreement to deliver solid waste to the Bristol Project or any of the Wesi Projects. Hauler is prohibited from delivering any Acceptable Waste to the Designated Facility originating from Wesi Projects.
3. Prior to delivering any Acceptable Waste to the Designated Facility, Hauler shall obtain all permits that are required by the Procedures and shall comply with all other pre-delivery requirements set forth therein and in the applications (including

instructions) for such permits. Hauler shall also, at all times, comply with the Procedures, including any amendments thereto that are made by CRRA from time to time.

4. Prior to delivering any Acceptable Waste to the Designated Facility, Hauler shall submit, along with its permit application, a guaranty of payment satisfactory to CRRA in all respects and in the form of a letter of credit, a surety bond or a cashier's check in an amount sufficient to cover at least two (2) months of waste disposal charges as estimated by CRRA. At its sole discretion, CRRA shall reassess the amount of the guarantee as defined in the Procedures.
5. Hauler shall amend its letter of credit or surety bond or provide any additional cashier's checks to CRRA if requested to do so by CRRA for any additional amounts. Further, if Hauler submits to CRRA, either a letter of credit or surety bond, Hauler shall, within sixty (60) days before the expiration of the same, renew the letter of credit or surety bond and shall promptly furnish the renewed letter of credit or surety bond to CRRA. If Hauler's letter of credit or surety bond is canceled or terminated, Hauler shall immediately submit to CRRA a new letter of credit or surety bond that complies with the requirements of this paragraph 5. If Hauler fails to comply with any of the requirements of this paragraph 5, then CRRA, at its sole discretion, may temporarily or permanently deny Hauler any further access to the Designated Facility and/or revoke its permit for the same until the requirements of this paragraph 5 are met.
6. For the purposes of this Agreement the term shall commence on July 1, 2008 and terminate December 31, 2008. Hauler shall pay CRRA the following Service Fee of Seventy-two and 00/100 (72.00) for each ton of Acceptable Solid Waste generated during this term within the corporate boundaries of any CRRA Project Municipalities and delivered to Designated Facility by Hauler pursuant to this Agreement.
7. In the event that Hauler fails to comply with any of its obligations under this Agreement, such failure shall constitute an event of default on the part of the Hauler hereunder and CRRA shall have the right: 1) to suspend CRRA's performance under the agreement; 2) to take such commercially reasonable steps as appropriate to protect CRRA's interests (including without limitation termination of this Agreement); and or 3) to exercise any remedy(s) available at law or in equity to CRRA.
8. Hauler shall at all times defend, indemnify and hold harmless CRRA, any Operator and their respective directors, officers, employees and agents on account of and from and against any and all liabilities, actions, claims, damages losses, judgments, workers' compensation payments, costs and expenses (including but not limited to attorneys' fees and court costs) arising out of injuries to the person (including death), damage to property or any other damages alleged to have been sustained by: (a) CRRA, any operator, or any of their respective directors, officers, employees, agents or subcontractors, or (b) Hauler or any of its directors, officers, employees, agents or subcontractors, or (c) any other person, to the extent any such injuries, damage or damages are caused or alleged to have been caused, in whole or in part, by the acts, omissions or negligence of Hauler, any of its affiliates, directors, officers, employees, agents or subcontractors. Hauler's obligations under this paragraph 8 shall survive the termination or expiration of this Agreement.

9. Hauler further undertakes to reimburse CRRA for damage to property of CRRA caused by Hauler or its subcontractors. The existence of insurance shall in no way limit the scope of this indemnification. Hauler's obligations under this paragraph 10 shall survive the termination or expiration of the Agreement.
10. Hauler shall pay any invoices rendered by CRRA for any charges and costs incurred in connection with this Agreement, including but not limited to disposal charges, penalties, fines, interest charges, attorneys fees and adjustments, within twenty (20) days from the date of such invoice. If Hauler fails to do so, CRRA, at its sole discretion, may immediately deny Hauler any further access to the Designated Facility and/or revoke its permit for the same until Hauler pays in full to CRRA all past due invoices including any interest thereon. In the event CRRA denies Hauler further access to the Designated Facility and/or revokes its permit in accordance with paragraph 5 and this paragraph 10, Hauler is not relieved of its legal responsibilities to perform its obligations under this Agreement.
11. Any Acceptable Waste delivered by Hauler must comply with the requirements for Acceptable Waste set forth in the Procedures. If Hauler does not comply with the foregoing requirements set forth in the Procedures, CRRA, at its sole discretion, may deny Hauler temporarily or permanently any further access to the Designated Facility and/or revoke its permit for the same.
12. For purposes of this Agreement, the term "Municipal Flow Control Law" shall mean a municipal ordinance or other legal authority of one or more Member Municipalities, requiring the Hauler to deliver Acceptable Waste generated within the corporate boundaries of such Member Municipality or Member Municipalities, as the case may be, to any location or locations designated by such Member Municipality or Member Municipalities. Upon the occurrence at any time during the term of this Agreement of either of the following: (i) the provision of written notice from CRRA to Hauler (a "CRRA Notice") that one or more Member Municipalities has advised CRRA of its intention to enforce a Municipal Flow Control Law; or (ii) the provision of notice in any form from one or more Member Municipalities to Hauler (a "Municipal Notice") that each such Member Municipality is enforcing a Municipal Flow Control Law; CRRA and Hauler agree that their respective obligations under this Agreement shall terminate, solely with respect to Acceptable Waste which is generated within the corporate boundaries of each such Member Municipality (a "Flow Control Municipality") and which is subject to a Municipal Flow Control Law ("Flow Control Acceptable Waste.") Such termination of obligations with respect to Flow Control Acceptable Waste shall be effective upon the effective date set forth in such CRRA Notice or Municipal Notice, unless otherwise agreed in writing by CRRA and Hauler. Any Acceptable Waste generated within the corporate boundaries of a Flow Control Municipality that is not Flow Control Acceptable Waste shall continue to be subject to this Agreement, which shall remain in full force and effect with respect to Acceptable Waste that is not Flow Control Acceptable Waste. Hauler agrees that it shall immediately but in any event within (3) business days, provide CRRA with written notice of Hauler's receipt of a Municipal Notice. Hauler shall remain obliged to pay all amounts invoiced by CRRA under this Agreement with respect to Flow Control Acceptable Waste, for the period prior to the date of a CRRA Notice or a Municipal Notice concerning such Flow Control Acceptable Waste. CRRA shall not be liable to Hauler for any legal, equitable or other relief in connection with a CRRA Notice and

Hauler hereby waives any and all legal or equitable claims against CRRA for such relief.

13. This Agreement may not be assigned in whole or in part by the Hauler, and shall be void if so assigned, except upon express written consent of CRRA. In the event of a dissolution of or merger involving Hauler, Hauler shall promptly provide CRRA with written notice of such event, including the effective date thereof.
14. This Agreement shall inure to the benefit of and be binding upon the heirs, personal representatives, successors and assigns of the parties hereto.
15. This Agreement shall be governed by and construed in accordance with the laws of the State of Connecticut as such laws are applied to contracts between Connecticut residents entered into and to be performed entirely in Connecticut.
16. Subject to the requirements of paragraph 12 hereof, the term of this Agreement shall commence on July 1, 2008 (the "Commencement Date") and shall continue until December 31, 2008. This Agreement shall become effective on the Commencement Date, subject to the approval of CRRA's Board of Directors.
17. This Agreement constitutes the entire agreement and understanding between the parties hereto and concerning the subject matter hereof and supersedes any and all previous agreements, written or oral, between the parties hereto and concerning the subject matter hereof.
18. Hauler agrees to modify the terms of this Agreement if CRRA requests modifications necessitated by CRRA's financing purposes.
19. Hauler agrees to the following: (1) Hauler agrees and warrants that in its performance of this Agreement it will not discriminate or permit discrimination against any person or group of persons on the grounds of race, color, religious creed, age, marital status, national origin, ancestry, sex, sexual orientation, mental retardation or physical disability, including, but not limited to, blindness, unless it is shown by Hauler that such disability prevents performance of Hauler's services in any manner prohibited by the laws of the United States or of the State of Connecticut; (2) Hauler further agrees to take affirmative action to insure that applicants with job related qualifications are employed and that employees are treated when employed without regard to their race, color, religious creed, age, marital status, national origin, ancestry, sex, sexual orientation, mental retardation, or physical disability, including, but not limited to, blindness, unless it is shown by Hauler that such disability prevents performance of its services; (3) Hauler agrees, in all solicitations or advertisements for employees placed by or on behalf of Hauler, to state that it is an "affirmative action-equal opportunity employer" in accordance with regulations adopted by the Connecticut Commission on Human Rights and Opportunities (the "Commission"); (4) Hauler agrees to provide each labor union or representative of workers with which Hauler has a collective bargaining agreement or other contract or understanding and each vendor with which Hauler has a contract or understanding, a notice to be provided by the Commission, advising the labor union, workers' representative and vendor of Hauler's commitments under Sections 4a-60 and 4a-60a of the Connecticut General Statutes and to post copies of the notice in conspicuous places available to employees and applicants for employment; (5) Hauler agrees to comply with each applicable

provision of Sections 4a-60, 4a-60a, 46a-68e, and 46a-68f, inclusive, of the Connecticut General Statutes and with each regulation or relevant order issued by the Commission pursuant to Sections 46a-56, 46a-68e, and 46a-68f of the Connecticut General Statutes; and (6) Hauler agrees to provide the Commission with such information requested by the Commission, and permit access to pertinent books, records and accounts concerning the employment practices and procedures of Hauler as related to the applicable provisions of Sections 4a-60, 4a-60a and 46a-56 of the Connecticut General Statutes. If this Agreement is a public works contract, Hauler agrees and warrants that it will make good faith efforts to employ minority business enterprises as subcontractors and suppliers of materials in such public works project.

IN WITNESS WHEREOF, the parties hereto have set their hands and seals as of the day and year first written above.
