TO

REQUEST FOR BIDS NO. OP-08-010

**TRANSPORTATION AND DISPOSAL OF NON-PROCESSIBLE WASTE
WALLINGFORD RESOURCES RECOVERY FACILITY**

(RFP Originally Issued February 21, 2008)

All Proposers are required to acknowledge this and all Addendums on the Proposal Form as required. Failure to acknowledge all Addendums on the Proposal Form may jeopardize your Proposal.

This Addendum includes the following component:

**PART 1 – CRRA RESPONSES TO BIDDER’S WRITTEN QUESTIONS
RECEIVED:**

Question 1: What does the waste consist of?

Response 1: The waste consists of oversized bulky waste materials and metals that are not suitable for introduction into the Facility’s boilers for combustion. Materials may include but are not limited to items such as rolls of carpeting, mattresses, furniture, appliances (including hot water heaters), and oversized pieces of metal. These materials are removed from the waste deposited by haulers onto the Facility’s tip floor by a loader operator and deposited into the Contractor provided roll-off containers for transportation and disposal.

Question 2: Where is the waste currently being transported to?

Response 2: The materials are currently disposed of at a waste volume reduction facility (transfer station) located in Berlin, Connecticut.

Question 3: Is there a company that currently holds a contract? If so, who?

Response 3: The current transportation and disposal Contractor is CWPM, LLC.
