Re: Clarification of Instructions regarding deadline for Notice of Interest Forms

---

If you have already submitted a NOTICE OF INTEREST form for this RFP, you can ignore this clarification.

If you have not yet submitted a form, but are intending to do so, I just noticed that there is an erroneous date on the Notice of Interest form in our RFP. The deadline dates specified for that form in the NOTICE TO FIRMS and INSTRUCTIONS TO PROPOSERS are correct. The deadline for the Notice of Interest form is 3pm **Tuesday November 15, 2011**.

A corrected form has been posted to the CRRA website as of the end of business today.
