Garbage Museum to Hold Family Fun Day May 13
Tours, Crafts, Movies, Special Appearance by B.B. the Bluefish – All Free

STRATFORD, Conn. – The Connecticut Resources Recovery Authority Garbage Museum will hold its next Family Fun Day event on Saturday, May 13, from 10 a.m. to 2 p.m. All activities are free of charge.

Visitors may participate in tours of the museum, explore exhibits, create a recycled windsock craft and catch a bird's-eye view of the CRRA container recycling facility. Also, B.B. Bluefish, mascot of the Bridgeport Bluefish baseball team, will make a special guest appearance.

The Garbage Museum features Trash-o-Saurus, a one-ton dinosaur made from salvaged items. Guests may take part in scavenger hunts searching for "found" treasures on Trash-o-Saurus. Additionally, families may participate in an all-time favorite activity, Trash Bash.

"We encourage families and scout groups to attend this event. The activities are interactive and fun for all ages," said Sotoria Montanari, education supervisor.

The Garbage Museum is located at 1410 Honeyspot Road Extension. For more information or directions, contact (203)381-9571 or go to http://www.crra.org and click on "Education Centers."

The Connecticut Resources Recovery Authority is a quasi-public agency whose mission is to work for-and in – the best interests of the municipalities of the state of Connecticut. CRRA's new board of directors and new management team develop and implement environmentally sound solutions and best practices for solid waste disposal and recycling management on behalf of municipalities. CRRA also runs environmental and recycling educational programs through its Visitors Center in Hartford and Garbage Museum in Stratford. For more information about CRRA and its activities, visit http://www.crra.org.
