CRRA reserves the right to reject any or all of the proposals, or any part(s) thereof, and/or to waive any informality or informalities in any proposal or the RFP process for this Project.

12. Proposal Evaluation

The award of the contracts for the Services will be made, if at all, to the proposer(s) whose evaluation by CRRA results in CRRA determining that such award to such proposer(s) is in the best interests of CRRA. **However, the selection of a proposer(s) and the award of such contracts, while anticipated, are not guaranteed.**

CRRA is an Equal Opportunity and Affirmative Action employer and does not discriminate in its hiring, employment, contracting, or business practices. CRRA is committed to complying with the Americans with Disability Act of 1990 (ADA) and does not discriminate on the basis of disability in admission to, access to, or operation of its programs, services, or activities.

12.1 Evaluation Criteria

CRRA will base its evaluation of the proposals on the following, which are not necessarily presented in order of importance:

- (a) Qualifications of the proposer and its personnel, including the experience and availability of day-to-day auditing staff assigned to CRRA and the breadth and depth of other associates and professionals available to provide services to CRRA;
- (b) Familiarity with quasi-public agencies or resource recovery systems;
- (c) Experience in serving as auditor for clients, including governmental entities and resource recovery entities;
- (d) Demonstrated skill, ability and integrity to perform the Services required by the Contract Documents;
- (e) Team organization and approach, including the ability of the proposer to adequately staff and complete time-sensitive projects and transactions and to interact effectively with CRRA and other professionals involved in CRRA's projects and transactions;
- (f) Price;
- (g) Reputation;
- (h) Responsiveness in a timely manner to CRRA questions and work requests;

- (i) Connecticut presence as evidenced by the number of offices and employees the proposer maintains in Connecticut; and
- (j) Any other factor or criterion that CRRA, in its sole discretion, deems or may deem relevant or pertinent for such evaluation.

12.2 Affirmative Action Evaluation Criteria

Proposals will also be rated on the proposer's demonstrated commitment to affirmative action. Sections 46a-68-1 to 46a-68-17 of the *Regulations of Connecticut State Agencies* require CRRA to consider the following factors when awarding a contract that is subject to contract compliance requirements:

- (a) The proposer's success in implementing an affirmative action plan (See Question 4 of the Questionnaire Concerning Affirmative Action, Small Business Contractors And Occupational Health And Safety (Section 4.7 of the RFP Package Documents));
- (b) The proposer's success in developing an apprenticeship program complying with Sections 46a-68-1 to 46a-68-17 of the *Regulations of Connecticut State Agencies*, inclusive (See Question 5 of the Questionnaire Concerning Affirmative Action, Small Business Contractors And Occupational Health And Safety (Section 4.7 of the RFP Package Documents));

13. Interviews

CRRA may, at its sole and absolute discretion, decide to interview one or more of the proposers for the Services. If CRRA does decide to interview any proposers, such interviews will be conducted on Monday and Tuesday, March 5 and 6, 2012 at CRRA's offices, 100 Constitution Plaza, 6th Floor, Hartford, Connecticut 06103.

14. Contract Award

If the contracts are to be awarded, CRRA will issue to the successful Proposer(s) a Notice Of Award within one hundred twenty (120) days after the proposal due date.

CRRA reserves the right to correct inaccurate awards resulting from CRRA's errors. This may include, in extreme circumstances, revoking a Notice Of Award already made to a proposer and subsequently awarding the Notice Of Award to another proposer. Such action by CRRA shall not constitute a breach of this RFP by CRRA since the Notice Of Award to the initial proposer is deemed to be void ab initio and of no effect as if no Agreement ever existed between CRRA and the initial proposer.

15. Affidavit Concerning Consulting Fees

Pursuant to *Connecticut General Statutes* Section 4a-81, the apparently successful Bid submitter(s) must submit an affidavit stating that, except as specified in the affidavit, it has not entered into any contract with a consultant in connection with the RFP whereby any duties of the consultant pursuant to the contract require the consultant to pursue communications concerning the business of CRRA, whether or not direct contract with CRRA was expected or made (see Exhibit H of the Agreement).

16. Contractor's Certification Concerning Gifts

Pursuant to *Connecticut General Statutes* Section 4-252, the apparently successful Proposer(s) must submit a document certifying that it has not given any gifts to certain individuals between the date CRRA started planning the RFP and the date the Agreement is executed. If the apparently successful Proposer(s) does not execute the Certification, it will be disqualified for the Agreement. The dates between which the Proposer(s) may not give gifts and the identities of those to whom it may not give gifts are specified in the Contractor's Certification Concerning Gifts (see Exhibit I of the Agreement).

17. Proposer's Qualifications

CRRA may make any investigation deemed necessary to determine the ability of any proposer to perform the Services required. Each proposer shall furnish CRRA with all such information as may be required for this purpose.

18. Proposal Preparation And Other Costs

Each proposer shall be solely responsible for all costs and expenses associated with the preparation and/or submission of its proposal, or incurred in connection with any interviews and negotiations with CRRA, and CRRA shall have no responsibility or liability whatsoever for any such costs and expenses.

3. COMPENSATION AND PAYMENT

3.1 Compensation Schedule

Auditor shall be paid by CRRA for the services rendered and expenses incurred under this Agreement pursuant to Section 1 and Section 2 of **Exhibit A** of this Agreement on the basis set forth in Section 1 and Section 2 of **Exhibit C** of this Agreement (the "Fixed Fee Services"). Provided they are consistent with CRRA's Travel and Expense Reporting document attached hereto and made a part hereof as **Exhibit D**, Auditor's out-of-pocket expenses shall be reimbursed at cost. If CRRA disputes the amount in any written request for payment submitted by Auditor, CRRA shall have the right to withhold the disputed amount until the dispute is settled. CRRA shall notify Auditor of any disputed amount and the reason(s) for disputing such amount.

No workers' compensation insurance has been or will be obtained by CRRA on account of the Services to be performed hereunder by Auditor, or any of Auditor's employees or subcontractors. Auditor shall be responsible for paying or providing for all of the taxes, insurance and other payments described or similar to those described in this Section 3.6 and Auditor hereby agrees to indemnify CRRA and hold CRRA harmless against any and all such taxes, insurance or payments, or similar costs which CRRA may be required to pay in the event that Auditor's status hereunder is determined to be other than that of an independent contractor.

3.8 State of Connecticut Taxes

Pursuant to Section 22a-270 of the *Connecticut General Statutes* (as the same may be amended or superceded from time to time), CRRA is exempt from all State of Connecticut taxes and assessments ("Connecticut Taxes"), and the payment thereof. Without limiting the generality of the preceding sentence, the sale of any services or tangible personal property to be incorporated into or otherwise consumed in the operation of a CRRA Project is exempt from Connecticut Taxes, including without limitation Connecticut sales and use taxes, wherever purchased. Accordingly, Contractor shall not include in the fees, and Contractor shall not charge or pass through any Connecticut Taxes to CRRA, including that portion of any combined tax or assessment representing any Connecticut Taxes, regardless of whether Contractor has incurred any Connecticut State Taxes in its performance of the Agreement.

CRRA expresses no opinion as to the eligibility for any tax exemption, or refund or other reimbursement, including without limitation any Connecticut Taxes, with respect to tangible personal property purchased at any location for use in the performance of Services contemplated by this Agreement.

Auditor should consult with its tax advisor and/or its attorney, and the Connecticut Department of Revenue Services ("DRS") and any other applicable tax authority, with regard to such tax authorities' policies, procedures, recordkeeping and filing requirements for reimbursement of any taxes, including without limitation Connecticut Taxes, paid in the performance of Services contemplated by this Agreement, and whether or not there is a mechanism available to Auditor for the reimbursement of taxes, including without limitation

Connecticut Taxes, paid on fuel purchased for use in the performance of the Services contemplated by this Agreement.

Auditor and CRRA agree that Auditor is and shall act as an independent contractor. Notwithstanding Auditor's status as an independent contractor, but without limiting Auditor's obligation hereunder to pay, and be solely responsible for, any Connecticut taxes levied, imposed or applicable to the Services, for the sole purpose of allowing CRRA to benefit from the aforesaid exemption, CRRA shall designate, and Auditor has agreed to act, as CRRA's agent in purchasing services and equipment, machinery, parts, materials, supplies, inventories, fuel, and other items necessary to perform the Services hereunder for the account of CRRA, and with funds provided as reimbursement therefor by CRRA.

Upon receipt of such written notice from CRRA, Auditor shall immediately cease work on any and all CRRA matters, unless otherwise directed in writing by CRRA.

- (1) CRRA has determined that such Services have been performed by Auditor in conformance with the Standards;
 - (2) Payment for such Services has not been previously made or is not disputed by CRRA;
 - (3) Auditor is not in default hereunder; and,

Except for the payment that may be required pursuant to the preceding sentence, CRRA shall not be liable to Auditor in any other manner whatsoever in the event CRRA exercises its right to terminate this Agreement.

Auditor shall transmit to CRRA originals or copies of any and all material prepared, developed or obtained under this Agreement which constitutes deliverables or work in process in Auditor's possession within thirty (30) days of receipt of the written notice of termination unless otherwise directed by CRRA.

In the event of termination, Auditor will assist CRRA in arranging a smooth transition process. 4.4 Records And Documents

Auditor further undertakes to reimburse CRRA for damage to property of CRRA caused by Auditor or any of its directors, officers, agents, employees, subcontractors or materialmen, or by faulty, defective or unsuitable material or equipment used by it or any of them. CONNECTICUT RESOURCES RECOVERY AUTHORITY TRAVEL POLICY AND EXPENSE REPORTING

1. GENERAL STATEMENT

This Travel Policy and Expense Reporting guide presents the policies that all CRRA employees (hereafter "employee(s)") must adhere to in the planning and conducting of their business travel and their reimbursement requests. CRRA requires that all travel expenditures and their accountings meet the Internal Revenue Service requirements of "ordinary, necessary and reasonable" and should be conservative and consistent with the nature of the business assignment. These policies safeguard CRRA and protect the employee from being assessed additional taxable income. All employees are expected to fully comply with the policies and instructions in this guide. Reimbursements for actual and necessary expenses made to Directors of CRRA shall be made consistent with the provisions of this Travel Policy And Expense Reporting guide; however, as stated in the Connecticut General Statutes, Directors shall not be required to obtain pre-approval from the President for any expenses.

2. APPROVALS

Prior written approval by the President or the employee's Division Head at least one (1) week in advance is required for all overnight trips out of state, except in an emergency. It is the obligation of the employee to obtain this prior approval and no reimbursement will be made without this approval.

Prior written approval by the President or the employee's Division Head at least one (1) week in advance is required for all employee trips that are for educational seminars, professional conferences, vendor-initiated field trips, and industry organization events.

To obtain written approval, the employee must complete the overnight travel form, and, if a cash advance is requested, complete a cash advance form that estimates the out-of-pocket expenses, and submit the completed form(s) to the appropriate Division Head or President in as far in advance as possible of departure date.

3. TRANSPORTATION

Transportation expenses should be kept to a minimum. The most direct and practical route should be selected.

3.1 Rental Automobile

Rental car expenses will be paid by CRRA and whenever possible should be billed directly to CRRA to take advantage of CRRA's tax-exempt status and any other discounts available to CRRA.

3.1.1 Insurance

3.1.1.1 Business Use Of A Rental Automobile

Employees on business do not need to purchase additional insurance coverage (collision damage waiver or excess liability) from the rental company. The Corporate Insurance Program covers these risks. Please note that all vehicles must be rented in CRRA's name to have CRRA's policy cover the employee.

3.1.1.2 Personal Use Of A Rental Automobile

Employees are prohibited from using a CRRA rental automobile for personal use. Personal use that is incidental to CRRA business use will be covered by the CRRA insurance policy as long as the vehicle was rented in CRRA's name. Incidental usage is defined as usage of the vehicle that is directly related to business usage (e.g. mileage to get meals on a business trip).

3.2 Business Use Of Employee's Car

3.2.1 Reimbursement Rate

The reimbursement rate for an employee's use of their personal automobile for CRRA business is the IRS approved rate, as adjusted from time to time by the IRS, for employee use of their personal car on business. The above mileage reimbursement allowance for business use of an employee's vehicle is calculated in a manner that takes into account all auto-related expenses, including the cost of carrying insurance (without a deductible). Therefore, CRRA will not reimburse an employee for vehicle damage or personal liability that occurs while a personal automobile is being used on CRRA business if the employee drives their personal vehicle 2,500 miles per year or more. This includes any deductible that may apply. However, if an employee's vehicle is driven on company business 2,500 miles or less annually, and is involved in a motor vehicle accident, CRRA will reimburse the employee through the normal expense reimbursement process for their physical damage deductible up to a maximum of \$500.00 per accident. Evidence of the payment of the deductible by the employee must be provided to CRRA in order to receive reimbursement. (Traveling on business does not include any travel involved in commuting to or from work, lunch time errands or anything other than authorized business use). Before an employee seeks the foregoing reimbursement for the use of his personal automobile, the

employee shall provide CRRA with written evidence of his personal automobile insurance with limits as required by the Connecticut General Statutes. The foregoing written proof shall be kept on file in the CRRA Finance Division.

3.2.2 Mileage Calculation

In all travel away from the CRRA office, the employee will be reimbursed using the shortest distance between points. For travel from Hartford to a CRRA facility, the President shall cause the shortest distance to be determined and the President shall cause such determination to be made available to employees. Unless approved by an employee's Division Head, employees shall use the distances determined by the President in all requests for reimbursement for travel from Hartford to a CRRA facility. An employee may request and the employee's Division Head may approve distances other than those determined by the President in extraordinary circumstances when, for reasons beyond the control of the employee, the route of the shortest distance was not reasonably available for use.

In calculating mileage, the normal commute mileage to and from the employee's home to the employee's assigned place of work must be deducted from the total trip mileage. For example, if the total trip mileage equals 100 miles, and normal commute mileage equals 20 miles, CRRA will reimburse the employee for 80 miles. This is in accordance with Internal Revenue Service and State of Connecticut policy.

3.2.3 Tolls/Parking

No receipts are necessary for tolls or parking unless they exceed five (\$5.00) dollars.

3.3 Air Travel

All air travel requires prior approval from the CRRA President. For approved travel, CRRA will reimburse employees only for coach accommodations. Employees are encouraged to inquire about discount packages and to take advantage of the least costly route whenever possible. When an employee plans a trip, the reservations should be made as far in advance as practical to obtain the lowest rate. All approved air travel for the previous month shall be reported to the CRRA Board of Directors at its next Board Meeting.

3.4 Taxis

Taxi service may be used when no other form of public transportation is available or when the cost of a taxi is close to the cost of public transportation. Employees are encouraged to use courtesy cars, airport limousines, or buses whenever possible. Since some taxi services do not provide receipts, you should have the back of your business card signed, dated, and the amount of the fare indicated by the driver.

3.5 CRRA Owned Automobiles

Please refer to the CRRA Vehicle Usage Policy adopted by the CRRA Board of Directors at its November 21, 2003, Board of Directors Meeting.

4. MEALS

Permissible expenditures for meals and tips depend on location and circumstances. Only reasonable and customary charges will be allowed and reimbursed by CRRA. An exception may be granted by the President in unusual circumstances. In-state breakfast, lunch, and dinner will not be reimbursed unless they involve a business meeting.

5. LODGING

Lodging accommodations in reasonable and economically priced single occupancy rooms, including customary tips, are reimbursable if the employee has to stay away from home overnight because of unfinished business or an early morning business meeting.

Employees should request government rates at the time of making reservations.

6. INCIDENTALS

The incidentals allowance encompasses such things as gratuities and one telephone call a day of reasonable duration to the employee's home. It is anticipated that the cost of such calls generally will appear on the employee's hotel bill.

7. PERSONAL EXPENSES

Some travel expenses are considered personal and CRRA will not reimburse them. The following, while not all inclusive, lists examples of such personal expenses that are not reimbursable expenses: amusements, athletic events, barbers, books for personal reading, athletic court or gym costs, damage to luggage, fines, hair stylists, magazines, newspapers, movies, and saunas.

8. OTHER BUSINESS EXPENSES

With prior approval of the President, CRRA will reimburse an employee for the incidental costs necessary to further an important CRRA business purpose. Any foregoing expense must be reported to the Board at the Board's next Board of Directors meeting. Any such expense must be documented by showing the following:

- The name(s) of the person or persons and the location and nature of the expense.
- The business relationship with CRRA.
- The specific business reason for the expense.
- The actual business conducted.

CRRA will not reimburse the cost of home entertaining.

9. EXPENSE REPORTING

All expense reporting must be submitted to CRRA using the CRRA expense reimbursement form(s) within twenty working days after the day the employee returns from his/her trip.

10. RECEIPTS

Employees shall obtain receipts for all travel expenses, exclusive of mileage reimbursement. This includes receipts for all meals, airfare, bus fare, taxi, toll or parking charges in excess of \$5.00 dollars, limousine, hotel, and registration fees. Travel expenses in excess of the stated guidelines herein will be reimbursed only if all receipts accompany expense vouchers. Expenses submitted without a receipt, except for gratuity and certain transfer charges, may not be reimbursed.

Original receipts are required for all entertainment.

11. EXCEPTIONS

Exceptions to these travel and expense guidelines will be authorized only upon the prior authorization of President when the circumstances warrant. Any such exception to these travel and expense guidelines should be documented and the President should notify the CRRA Board of Directors of such exception at the Board's next Board Meeting.

NOTICE TO EXECUTIVE BRANCH STATE CONTRACTORS AND PROSPECTIVE STATE CONTRACTORS OF CAMPAIGN CONTRIBUTION AND SOLICITATION BAN

This notice is provided under the authority of Connecticut General Statutes 9-612(g)(2), as amended by P.A. 07-1, and is for the purpose of informing state contractors and prospective state contractors of the following law (italicized words are defined on the following page):

Campaign Contribution and Solicitation Ban

No *state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor*, with regard to a *state contract or state contract solicitation* with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall make a contribution to, or *solicit* contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee;

In addition, no holder or principal of a holder of a valid prequalification certificate, shall make a contribution to, or solicit contributions on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of State senator or State representative, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

Duty to Inform

State contractors and prospective state contractors are required to inform their principals of the above prohibitions, as applicable, and the possible penalties and other consequences of any violation thereof.

Penalties for Violations

Contributions or solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

Civil penalties--\$2000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of \$2000 or twice the amount of the prohibited contributions made by their principals.

Criminal penalties—Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or \$5000 in fines, or both.

Contract Consequences

Contributions made or solicited in violation of the above prohibitions may result, in the case of a state contractor, in the contract being voided.

Contributions made or solicited in violation of the above prohibitions, in the case of a prospective state contractor, shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The State will not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.
