

ADDENDUM NO. 2
Issued October 3, 2014

TO

“REQUEST FOR QUALIFICATIONS
FOR
CSWS South Meadows Units 5 and 6 Power Purchase
Agreement
(RFQ Number 15-OP-001)
(RFQ Issued September 18, 2014)

Note: Entities submitting a Statement of Qualifications are required to acknowledge this and all Addenda in Section 3 of the Statement Of Qualifications Form (Exhibit 4 to the RFQ package of documents).

This Addendum No. 2 consists of the Materials Innovation and Recycling Authority (MIRA) responses to written questions received as of October 3, 2014.

Also included in this Addendum No. 2 (compressed zip folder) is Attachment 1 to the RFQ, the form of the Power Purchase Agreement in Microsoft Word format (provided to only RFQ participants who have submitted completed Expression of Interest Forms). RFQ participants are being provided the opportunity to comment on the PPA. Comments may be submitted using the Business Exceptions Form contained in the RFQ package of documents and/or MIRA will accept redline comments made to the Word version of the PPA provided as part of this Addendum No. 2. If you choose to submit a redline make certain you include in your SOQ submittal the Business Exception Form indicating on the form that you are (or have) submitting a redline via email. The Business Exception form should be part of your SOQ submittal package and, if submitting a redline copy of the PPA it should be emailed to vraymond@ctmira.org.

1.	Question	Can you provide hourly generation data that includes station service requirements so bidder can get an idea of total generation and how much is needed for station service?
	Answer	Yes. Attached and made a part of this Addendum No. 2 is six months of gross generation with corresponding station service draw by hour (provided to only RFQ participants who have submitted completed Expression of Interest forms).
